DRAGON BALL SUPER CARD GAME - FUSION WORLD FB07 BOOSTER DISPLAY (24 PACKS) - EN

The Dragon Ball Super Card Game Fusion World FB07: Wish for Shenron is a 2025 booster set that features new leaders from various sagas, including the debut of a powerful Shenron leader and other leaders from Super Hero, Daima, and GT.

The set is highlighted by significantly upgraded Alt-Art versions of Super Rare and Super Combo cards, which now feature brush-style artwork and textured gold foil for increased collectibility.

This set is designed for both collectors and competitive players, introducing new wish mechanics and fusion strategies while also including a digital promotion code with each pack.

New Leaders: Introduces new leader cards, including the first-ever Shenron leader with unique abilities and new

characters from the Super Hero, Daima, and GT sagas.

Enhanced Collectibility: The set significantly upgrades the Alt-Art versions of Super Rare cards, featuring unique brush-style artwork and textured gold foil for a premium feel.

Expanded Alt-Art Cards: The number of Alt-Art cards, including those for essential "Super Combo" cards, has been increased to make opening packs more exciting.

Wish Mechanics: The set introduces new wish mechanics, adding fresh strategies for deck building.

Diverse Rarity Structure: Features a total of 125 card types, including 5 Leader cards, Common, Uncommon, Rare, 15 Super Rares, and 2 Secret Rares, plus 3 reprint cards.

Digital Integration: Each booster pack includes a promotion code for the digital version of the game, bridging the physical and digital experiences.
